Figure 5

8. The taxpayer will print this authority letter and present it to their NBP branch (where his account exists).
9. The NBP Branch will provide the taxpayer with their Activation Code.
10. After getting the activation code, the user will again navigate to the “Create DDA for NBP” link and click the “Activate” status link against the relevant account, in order to activate Direct Debit authority. The screen below shall appear:

Figure 6

11. The taxpayer will enter the following required information and press “Activate” button.
 - a. Activation Code (Provided by NBP)
 - b. Permitted Amount (Maximum amount for which user can make single transaction)
 - c. Agreement No. (Printed on Direct Debit Authority Letter)
 - d. PIN Code

The System will validate the information and upon successful validation, Direct Debit Authority against relevant account will be activated.

12. The taxpayer will go to the payment creation screen in order to make payment with direct debit payment mode.
13. After giving all the payment particulars, the taxpayer will select “Direct Debit” as payment mode and after entering the required amount, the user will select the account number from the list of accounts with active Direct Debit Authorities as shown below:

Figure 7

14. To create the payment, the taxpayer will then click on the “Create” button, and the screen below will be shown:

Particulars of Payment:

Mode	Amount	PO/CI/AC No.	PO/CI Date	Bank	City	Branch
Direct Debit		878888		NATIONAL BANK OF PAKISTAN	KARACHI	KORANGI INDUSTRIAL AREA
